

# SammieTimeline

## Assessment Timeline

Samples of unit [assessment timeline](#) .

- Select the appropriate level - Elementary or Secondary
- Select a sample unit and scroll down to the assessment timeline.
- Use the information from your Stages 2 and 3 and create your assessment timeline using the tables below.

Pulling assessments from stage 2. include pre, formative and summative assessments

Lesson Number	Assessment	Process and Purpose of Assessment	Formative/Summative	Value
Lesson 1	Google-docs pre-test	Students will participate in an informal pre-assessment to inform instruction.	Formative	N/A
	Exit Slips	Students will hand in exit slips communicating what they learned from the day.	Formative	N/A
	Informal Checks for Understanding	Students will communicate depth of understanding using a 1-10 scale.	Formative	N/A
	Graphs	Students will use sets of data to graph best fit models.	Summative	20
Lesson 2	Informal Checks for Understanding	Students will communicate depth of understanding using a 1-10 scale.	Formative	N/A
	Lab Reports	Students will complete a lab report comparing best fit models.	Summative	30
Lesson 3	Small-Group Conferences	Students will be grouped according to similar areas for improvement and meet with the teacher to discuss common misconceptions and avoiding common mistakes.	Formative	N/A
	Venn Diagrams	Students will create Venn Diagrams that compare and contrast the rates of change of linear and exponential functions.	Summative	20
	Exponential Growth Word Problems	Students will complete word problems based on exponential growth and decay.	Summative	30
Lesson 4	Informal feedback	Students will receive feedback on their "sliders" in their interactive model.	Formative	N/A
	Verbal Quizzing	Students will be randomly quizzed over the effects of principal, time and interest on	Formative	N/A

		exponential functions.		
	Exponential Flyer Applet	Students will create an interactive model that represents the effects of principal, time and interest on exponential functions.	Summative	40
Lesson 5	Exit Slips	Students will hand in exit slips communicating what they learned from the day.	Formative	N/A
	Comparative Calculations	Students will compare the problem set they have evaluated with their peers before turning them in.	Summative	20
	Debate Scripts	Students will create scripts that represent opposing views of the debate about attending post-secondary education.	Summative	40
Lesson 6	Progress Slips	Students will complete daily progress slips to compare with the "on target" progress slips.	Formative	N/A
	Resource Checks	Students will generate a resource list that will be progressively verified for accuracy and valid information.	Formative	N/A
	Financial Report	Students will create a financial report that details the choices of two distinct career paths.	Summative	150
